

11TH ANNUAL

Teddy Bear Drive

In loving memory of Jill Carboni and Andy Marsh

Over 10,720 teddy bears have illuminated the smiles of children across the country since 2006. The drive originated in loving memory of Jill Carboni, who lost her life in a car accident on November 27, 2005. Always striving to make a difference, Jill's contagious love and compassion serve as inspiration to spread kindness.

Andy Marsh further exemplified true dedication to selflessly serving his communities. He courageously fought stage 4 melanoma with his remarkable faith and perseverance. When he passed on August 4, 2009, he left a mission to support his causes.

The drive also honors Samantha Burns, Marien Favat, and Christina Dangond on their paths to healthy and happy childhoods. By carrying on the uplifting efforts of these incredible individuals, we can join together to make the world brighter for children in need of the comfort and joy that a teddy bear brings.

A single act of kindness throws out roots in all directions, and the roots spring up and make new trees.
